Prop#48

Take a look at this 14.97 ac in Leakey Hills. Property is rough to rolling with a small RV, strg building and storage freight box AND is contiguous to another property of 28 acres that is also on the market as Prop#6. These two tracts would be an awesome combination to make almost 43 acres to explore. There are no utilities and the road is rough but 4 wheel drive will only be needed in wet weather. No restrictions and hunting is encouraged! Property is behind a locked easement gate. Great list price: \$125,000 Give us a call!!!
